PROFILE

Adaptable and tech-driven professional with a strong academic foundation in cybersecurity and digital forensics, gained through an MSc at the University of Portsmouth and hands-on experience using tools such as Autopsy, FTK, MAGNET AXIOM, XAMN, and FTK Imager. Proven experience delivering digital services and transformation across sectors including government, logistics, and sport — developing strengths in investigative thinking, stakeholder engagement, and data integrity. I bring a strong work ethic, analytical mindset, and commitment to ethical practice, with a solid understanding of evidence handling, chain of custody, and clear reporting. Currently seeking to apply my technical skills and transferable experience in an entry-level digital forensics role where I can contribute to meaningful investigations and continue building expertise in areas such as incident response and mobile forensics.

SKILLS & ATTRIBUTES

- Coaching, Mentoring & Team Collaboration
 - Data Analysis & Reporting
 - Jira, Confluence, SharePoint, MS Office
 - Stakeholder Engagement & Communication
 - Risk Management & Issue Resolution
 - Cybersecurity & Information Governance
 - Basic Scripting (e.g. Python or Bash for automation)
 - Digital Transformation & Change Delivery
 - Project Coordination (Agile & Waterfall)
 - Logical Reasoning & Investigative Thinking
 - Confidentiality & Data Protection Awareness
 - Attention to Detail & Methodical Working
 - Data Integrity & Report Writing
 - Awareness of ACPO / NPCC Guidelines
 - Digital Evidence Handling & Chain of Custody
 - Integrity & Evidence Handling Ethics
 - Report Writing & Documentation Clarity
- Digital Forensics Tools: Autopsy, FTK, MAGNET AXIOM, XAMN, FTK Imager, Windows 10 (Forensics Environment)

EXPERIENCE

Work Coach – Department for Work and Pensions (DWP) | Apr 2024 – May 2025

- Deliver tailored coaching to a diverse caseload, aligning employability support with labour market insights and digital tools.
- Broker job opportunities by engaging employers and partner organisations across sectors.
- Maintain performance records and ensure compliance with Universal Credit and service-level standards.

Career Break – Family & Skills Development – | Sep 2023 – Apr 2024

- Focused on the adoption of two children, building resilience and emotional intelligence.
- Completed formal leadership training and self-directed study in cybersecurity, AI, and agile delivery.

IT Implementer – Deutsche Post DHL | Sep 2021 – Aug 2023

- Led rollout of a national Transport Management System (TMS) across UK sites.
- Provided implementation and go-live support, coordinated UAT, and managed vendor communications.
- Monitored project risks, tracked progress, and ensured documentation and stakeholder alignment.

Area Support Manager – Office for National Statistics (ONS) | Feb 2021 – May 2021

(3-month Contract)

- Managed a field team of 200+ staff during Census 2021 across multiple local authority areas.
- Facilitated daily virtual scrum meetings to coordinate tasks and share updates across regions.
- Tracked operational KPIs and escalated risks to regional leadership.

Junior IT Project Manager – England & Wales Cricket Board (ECB) | Apr 2019 – Oct 2020

- Supported safeguarding technology projects to enhance digital case handling and access control.
- Helped deliver a Single Sign-On solution across multiple ECB platforms.
- Coordinated between tech teams, external vendors, and safeguarding professionals.

EDUCATION & TRAINING

- MSc Cyber Security & Digital Forensics (Distinction – Provisional) – University of Portsmouth (2025)
- Level 4 Digital Leadership & Management – iMeta Training (2024)
- BSC Foundation Certificate in InfoSec Management Principles – Tech Talent Academy (2021)
- Cyber Security Infrastructure Specialist – Netcom Training Ltd (2021)
- Fundamentals of Cloud Computing – Netcom Training Ltd (2021)
- BSc Computer Management (2:1) – Sheffield Hallam University (2019)
- ITIL Foundation Certificate – PeopleCert (2018)
- Prince2 Foundation – Coventry University (2010)

OTHER INTERESTS

Coach for an under-8 girls' football team, combining sport and youth mentoring. Active follower of cybersecurity and emerging tech trends. Outside of work, I enjoy reading, travel, and fishing.
